WELCOME

The purpose of this Handbook is to provide you with all the information that you need to know about studying with Ruby Institute.

The first part of this Handbook provides you with all the information you need to know about applying for a course, your visa and arriving in Australia, including important information such as working in Australia and your accommodation.

Much of the information is relevant to all students, however some of the information relates only to VET students (undertaking vocational courses that are nationally recognised training), and some of the information relates only to ELICOS students (undertaking English Language Intensive Courses to Overseas Students). Where information relates only to VET or ELICOS students, this is clearly marked throughout.

STUDYING THROUGH RUBY INSTITUTE

Ruby Institute aims to provide courses which are:

- High quality
- Practical, flexible and affordable
- Informed by industry needs
- Delivered by friendly, professional and supportive staff

OUR OBLIGATION AS YOUR RTO AND CRICOS EDUCATION PROVIDER

As a Registered Training Organisation (RTO) and CRICOS Education Provider registered with Australian Skills Quality Authority (ASQA), we have an obligation to ensure the quality of our nationally recognised and ELICOS courses. We must comply at all times with the Standards for RTOs 2015, which are part of the VET Quality Framework, as well as the Education Services for Overseas Students Act 2000 and the National Code of Practice for Providers of Education and Training to Overseas Students 2018 (National Code) and our ELICOS courses must also comply with the ELICOS Standards 2018.

To ensure compliance we have developed comprehensive internal policies, procedures and systems that guide our compliant operations and we must participate in audits with ASQA upon their request. In addition, we must ensure that any third parties that we work with who have any involvement in your training and assessment comply as well. This includes our training partners, marketing brokers and salespeople where applicable.

For nationally recognised training, as the RTO, we have the responsibility to issue your AQF certification documents in line with our issuance policy as outlined in this Handbook.

If at any time you feel we have not met our obligations as an RTO, you have the right to make a complaint following our Complaints and Appeals Policy outlined further on in this Handbook.

SELECTION AND ENROLMENT

Ruby Institute accepts applications from all students who meet the entry requirements published in the Course Outline. Applications are accepted on a first come first served basis, but if a course is full, you will be offered a place in a course starting at a later date.

To apply to enrol in a course, please contact us to express your interest. You will be sent a Course Outline as well as an Application Form to complete. You will also need to provide evidence that you meet the Entry Requirements of the course (as indicated on the Course Outline), such as verified copies of qualifications, identification including your passport, schooling and evidence of English Language level (within the last 2 years).

If you are applying for Credit (VET students only) you should indicate this on your application and supply certified copies of your transcripts, so we can assess your application for Credit. See the section on Credits in this Handbook below.

If you wish to be considered for Recognised Prior Learning (RPL), you will need to fill in a part of the kit and return with an RPL Application Form. Your application will then be assessed for suitability and will then be contacted by assessor to progress the RPL process. See the section on RPL in this handbook below.

Once you have completed your application form and gathered all the necessary documents, send it to admissions@ruby.vic.edu.au or Level 7, 250 Collins Street, Melbourne VIC 3000. You will be contacted within 2 working days to discuss your suitability and arrange an Application Assessment Interview if your application is progressing. If you are applying through an education agent of Ruby Institute, the application assessment interview will be arranged and conducted by your education agent.

If your application is approved, you will be provided with a Letter of Offer and Student Written Agreement that outlines the Terms and Conditions of your enrolment with Ruby Institute. **You must keep a copy of this for your own records.**

You will then be required to pay your enrolment deposit and provide any additional evidence before finally receiving your electronic Confirmation of Enrolment letter (eCoE) as well as further information about your first training session and anything you need to bring or prepare prior.

UNIQUE STUDENT IDENTIFIER (USI) – VET STUDENTS ONLY

Unique Student Identifier (USI)

A Unique Student Identifier (USI) is a reference number made up of numbers and letters that creates a lifetime record for an individual of all the nationally recognized training that has been completed. Under the Unique Student Identifiers Act 2014, all RTOs must ensure they have a valid USI for any student that enrolls in nationally recognised training from 2015. This means (unless you have an exemption issued by the USI registrar) that as a student you must either:

- Provide us with your USI, or
- Provide us with permission to access or create your USI on your behalf.

For information about exemptions for individuals please review this webpage:

<https://www.usi.gov.au/training-organisations/training-organisation-requirements/exemptions-individuals/how-apply>

If you are providing us with permission to access or create your USI we will need a valid form of identification. The ID that you provide for this purpose will be destroyed once we have used it for this purpose.

If you would like to create your own USI, please visit: <http://www.usi.gov.au/Students/Pages/default.aspx>

We are unable to issue a qualification or a statement of attainment unless we have a valid USI or a notice of exemption from the registrar.

VICTORIAN STUDENT NUMBER (VSN)- VET STUDENTS ONLY

Under the Education and Training Reform Act 2006, education provider must ensure students up to 24 years of age have a valid Victorian Student Number (VSN) when enrolling to study in Victoria. The VSN is a student identification number that has been assigned by the Department of Education and Training to all

students up to 24 years of age upon their first enrolment in a Victorian school from 2009, or their first enrolment in a Vocational Education and Training (VET) provider from 2011.

The VSN for each student is unique and will provide the Victorian Student Registration (VSR) accurate information on student movement and student identifying details.

For more information on VSN, please refer to:

<http://www.vcaa.vic.edu.au/Pages/schooladmin/vsn/overview.aspx>

CREDITS – VET STUDENTS ONLY

A credit is formal recognition of the previous studies you have completed for the purpose of reducing the units or modules that you are required to complete in the course you are enrolled in with us.

Ruby Institute can grant you credit towards your course for units of competency or modules that you have already completed with another RTO or authorised issuing organisation. We can also grant you Credit for subjects or units you have completed where equivalence can be established between the unit/ module in your course, and the subject or unit you have completed.

There is no charge to apply for Credit.

To apply, fill in the Credit Application Form, and submit it as part of your enrolment/application.

Credit Application Form can be accessed by clicking the following link: <http://www.ruby.vic.edu.au/wp-content/uploads/pdf/forms/Credit-Application-Form.pdf>

You can apply for Credit at any time however it is best you do this as part of your enrolment so that Credits are known upfront and you are not required to do any work that you otherwise may not have needed to do.

Make sure you attach certified copies of transcripts from your previous study. In some cases, we may ask for additional information about the subject or unit you previously studied so we can determine equivalence. Your Credit Application may be returned to you if you don't provide the required information.

In some cases, Credits may lead to a reduction in the course fees as there is less work involved in offering your course. This will be advised to you in writing.

You will be advised in writing of the outcome of your Credit Application within 10 working days.

If Credit is granted after the acceptance of a place in a course or on commencement of studies and will affect the duration of studies, Ruby Institute will provide you with a new Confirmation of Enrolment (CoE) including the new duration.

RECOGNITION OF PRIOR LEARNING – VET STUDENTS ONLY

Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognised training can be formally recognised.

Ruby Institute has a process that has been structured to minimise the time and cost to applicants and provides a supportive approach to students wishing to take up this option. You should ideally apply for RPL at the time of enrolment, but you may also apply up to 2 weeks into your course.

If you think RPL is a suitable option for you, the first step is to contact your trainer/assessor or our office and have a conversation about whether or not RPL might be suitable for you. Suitability is often determined on how much experience you have in a certain area, your work history and previous training. If RPL is determined as a possibility for you, you will be provided with a kit, including the RPL Application Form, that will guide you in working through each unit to determine relevant skills and experience and identify whether you would be able to provide the required evidence.

A trainer/assessor will be available to assist you throughout this process.

To apply for RPL, you will need to fill in a part of the kit and return it with an RPL Application Form. Your application will then be assessed for suitability and you will then be contacted by an assessor to progress the RPL process.

From here, usually the RPL process involves gathering evidence to demonstrate skills, knowledge and experience, responding to questions, completing tasks and depending on the area, observation of your work skills in your workplace.

Fees are applicable for Recognition of Prior Learning as indicated below.

- Application Fee - \$250
- Charge per unit of competency - \$300

Total course fees may be reduced to account for the number of units undertaken via RPL or where Course Credit has been granted.

Ruby Institute will provide you with a new Confirmation of Enrolment (CoE), including the new duration, if the application is accepted and will affect the duration of studies.

For more information about submitting an application for RPL, contact the head office.

VISAS

Once you receive your electronic Confirmation of Enrolment, you will need to apply for your visa. Information about applying for a visa can be found at: <https://www.homeaffairs.gov.au/trav/stud>

This document explains the process for application, evidence that you must provide (including a valid passport), information on student visa conditions, permission to work, Overseas Student Health Cover and charges associated with the visa application. You may wish to use a registered migration agent to assist you with the process of applying for a course to arrival at Ruby Institute and including assistance with visas.

Ensure that you allow enough time between lodging your application and the start of your course, as applying for a visa can be a lengthy process.

VISA CONDITIONS

If you are granted a visa, you must abide by its conditions. Failure to comply with these conditions may result in the cancellation of your visa. See more information at the following link:

<https://www.homeaffairs.gov.au/trav/stud>

Conditions include (but are not limited to) that you must:

- Satisfy attendance and/or course progress requirements and maintain a valid enrolment for your chosen course of study. See Course Progress Policy (in this Handbook)
- Only work if you have been given permission to do so as part of your visa grant.
- Maintain approved Overseas Student Health Cover (OSHC) while in Australia
- Notify your training provider of your Australian address and any subsequent changes of address within 7 days.
- Complete the course within the duration specified in the CoE.

- Remain with the principal education provider for 6 months unless you are issued with a letter of release from the education provider to attend another institution.

ARRANGING TRAVEL AND DOCUMENTS TO BRING

Costs of travelling to Australia are not included in your course fees and you will need to arrange and pay for your travel to Australia. You should plan to arrive in location at least 2 weeks before your course orientation to give you time to settle in.

You will need to prepare a folder of official documents to bring with you to Australia including:

- Valid passport including a valid student visa
- Your Confirmation of Enrolment (CoE)
- Insurance policies
- Original or certified copies of documents such as your birth certificate, medical records and educational qualifications as advised by Ruby Institute at the time of confirmation of enrolment.

If you are travelling with your family, you will need to include their documents as well. Keep all documents in your carry-on luggage. In case you lose the originals, make copies that can be left behind with family and sent to you.

ENTRY INTO AUSTRALIA

When you arrive in Australia, you will need to show your passport and incoming passenger card at a Customs and Immigration checkpoint. You may be asked questions about your stay before your passport is stamped and handed back

Once you have passed through the Immigration checkpoint, you should collect your bags ensuring that you check your baggage and check that nothing is missing or damaged. If something is missing or you notice damage, go to the baggage counter and advise them of your problem. Staff at the baggage counter will help you to find missing baggage or lodge a claim for damage to your belongings.

Once you have your luggage you will go through customs where your luggage may be checked. Australia has strict quarantine laws to stop people from bringing in certain food and plant items. You should declare any items that you are bringing in on the form given to you on the plane. If customs officers decide that the item you are bringing in are not safe, they will be confiscated and destroyed. If you fail to declare or dispose of any quarantine items, or make a false declaration, you may receive a fine or be prosecuted. All international mail is also screened and checked by customs.

If you want further information, visit the Australian Quarantine and Inspection Service (AQIS) website at <http://www.aqis.gov.au>

Keeping in contact

Before you leave home, you should provide your family and friends, and your education provider in Australia, with details of your flights to Australia and where you will be staying when you arrive. (Do not change these details without informing them) Once you have arrived in Australia, you should then let your family and friends know that you have arrived safely. For safety reasons, always let someone know where you are.

Arranging your finances

The currency of Australia is the Australian Dollar. Ideally, you should change your money into Australian dollars before you arrive but if you haven't you will need to change some as soon as you arrive – you will usually be able to do this at the airport.

Once you have arrived at Melbourne you can also change more money into Australian dollars at any bank or currency exchange. Note, however, that banks are not open on the weekend and while airport currency exchanges are generally open, the rate is usually not as good as with a bank.

You should not carry large sums of money with you and it is best to only have the money that you will need for the first few days and then arrange to have the rest of the funds transferred to you in Australia.

The amount you will need to bring with you will depend on whether you have already paid for your accommodation before you arrive. Think about how much money you will need to last you for a couple of weeks.

Find out more about money matters by visiting: <http://www.studyinaustralia.gov.au/en/Living-in-Australia/Money-Matters>

ACCOMMODATION

It is best book temporary accommodation before you arrive and look for long-term accommodation once you get to Australia.

Temporary accommodation could be a hotel or hostel or similar such as a serviced apartment or a bed and breakfast (usually a converted private residence which may be inside someone's home or not).

Temporary accommodation can be found and booked through the following websites:

- Hotels: <https://www.trivago.com.au/australia-563/hotel>
- Bed & Breakfasts www.airbnb.com.au/Australia
- Serviced Apartments - <https://www.serviced-apartments.com.au>
- Hostels Australia <http://hostelsaustralia.com.au>

There are a range of long-term accommodation options for international students. For example:

Student Accommodation

Share accommodation specifically for international students. Generally, it includes a range of amenities for residents, such as quiet study areas and social spaces and enables students to meet and live with other international students.

Private rental

A private rental is where you sign a lease for a whole apartment or house. The lease will include the rent payable, the bond (a refundable amount once you leave the rental), the length and type of tenancy, and other conditions and rules.

Search private rentals here: <https://www.realestate.com.au/rent>

Your rights as a tenant

It is important to remember that as an international Student, you have the same renting rights as residents. Review the information below about renting and tenants' rights below:

Share house

A share house is when you share a private rental with friends or housemates. All tenants are listed on the lease and pay their own share of rent and bond. Some helpful tips can be found here:

BRINGING YOUR FAMILY WITH YOU

If you intend to bring your family with you, they will also need to have a visa and be covered by health insurance. Family members include your partner (married or de facto) and your children under 18 years of age. You will need to provide proof of your family relationships with official documents including birth certificates and marriage certificates.

Where you have dependent children that need to attend childcare or school, you should be aware of the following costs.

Typical childcare costs in Melbourne are as follows:

- Centre-based childcare AUD\$70 to AUD\$185 per day
- Family day care AUD\$8 to AUD\$17 per hour
- Nannies AUD\$15 to AUD\$35 per hour
- Au pairs (living in your home) AUD\$170 to AUD\$250 per week

- AUD\$4,449 a year for every other child and where required.

HEALTH

Emergencies

For emergencies such as fire, ambulance or police, phone 000. When you dial 000, you will be asked whether you want fire, ambulance or police and why you want this assistance. You will also be asked for your name and address and telephone number.

Australia police protect people and properties, detect and prevent crime, and preserve peace for everyone. They are not connected to the military or politics. The police can help you feel safe.

Fire

The fire brigade extinguishes fires, rescues people from fires in cars and buildings, and helps in situations where gas or chemicals become a danger. As soon as a fire starts call 000 no matter how small or large the fire may be.

Ambulance

Ambulances provide immediate medical attention in an emergency and emergency transportation to hospital. To access an ambulance, call 000.

Medical assistance

Emergency medical treatment is available 24 hours a day at the emergency or casualty department of a public hospital, or at some medical centres. Public and private hospitals are listed in the White Pages telephone directory under 'Hospitals' and you can also find them by searching on the internet. If you need to go to hospital, remember to bring your health insurance card and any medicines you are currently taking. For anything other than an emergency, seek medical help from a general practitioner (GP) or local medical centre.

National Home doctor service: If you require a doctor urgently on weeknights, weekends or public holidays.

Phone: 13 SICK (13 7425)

Overseas Student Health Cover

Australia has a special system of health cover for international students called Overseas Student Health Cover (OSHC). You will need to buy OSHC before you come to Australia to cover you from when you arrive. The Department of Home Affairs (DHA) requires you to maintain OSHC for the duration of your time on a student visa in Australia.

You can choose to take out OSHC with a provider recommended by us, or with the Australian OSHC provider of your choice. There are five providers of OSHC in Australia. Visit these websites to find detailed information on what they cover and to decide which provider is right for you.

- Australian Health Management OSHC <http://www.ahmoshc.com>
- BUPA Australia <http://www.overseasstudenthealth.com>
- Medibank Private <http://www.medibank.com.au/Client/StaticPages/OSHCHome.aspx>
- OSHC Worldcare <http://www.oshcworldcare.com.au>
- NIB OSHC <http://www.nib.com.au/home/newtonib/overseasstudents>

Your OSHC will help you pay for any medical or hospital care you may need while you're studying in Australia, and it will contribute towards the cost of most prescription medicines, and an ambulance in an emergency.

For more information on what your OSHC insurance covers, as well as what to do if you need treatment, refer to the Department of Health and Ageing's (DoHA) [Frequently Asked Questions](#).

OSHC does not cover dental, optical or physiotherapy. If you want to be covered for these treatments you will need to buy additional private health insurance, such as:

- Extra OSHC provided by some OSHC providers;
- International travel insurance; or
- General treatment cover with any Australian private health insurer. You can find a list of these providers and search for the one that suits you best at www.privatehealth.gov.au or www.iselect.com.au

LIVING COSTS IN AUSTRALIA

Migration regulations in Australia require international students to show evidence that they can contribute to the cost of living and studying in Australia. This helps to ensure students are better able to make the most of their studies and have a safe and enjoyable experience in Australia.

While international students are able to supplement their income with money earned through part-time work in Australia, the 'living costs' requirement helps to support the success of students in their studies by ensuring that they don't have to rely on such work to meet all their expenses.

Students must demonstrate that the funds they are relying upon to meet the costs of studying in Australia will be genuinely available to them during their stay in Australia.

The following web site includes information about average living costs in Australia:

<https://www.studyinaustralia.gov.au/english/live-in-australia/living-costs>

Carefully review the information at the web site link noting that the figures provided are average only and that costs can vary significantly depending on where you live in Australia. You should be prepared in case your living costs are greater than the indicated figures.

BUDGETING

Once you've settled in, you should ideally work out a budget that covers costs including clothing, food, accommodation, transport and entertainment, travel costs and childcare, if applicable.

Costs associated with living in Australia are included at:

<https://www.studyinaustralia.gov.au/english/live-in-australia/living-costs>

It is important to be aware of how much money you spend and where you are spending it. Sticking to a budget will ensure you are on top of where your money goes.

Read more about budgeting at <http://www.understandingmoney.gov.au>

WORKING IN AUSTRALIA

Most student visa holders can work up to 40 hours a fortnight during term time and as many hours as you like during holidays.

Check your VISA

- Before you undertake any paid work, you need to make sure your visa allows you to work. Find out more at the <https://www.homeaffairs.gov.au/trav/stud>

Your rights

Everyone working in Australia, including international students or those on working holiday visas, have basic rights at work.

COURSE EXPECTATIONS AND REQUIREMENTS

Students undertaking nationally recognised training (VET students)

The training and assessment offered by Ruby Institute focuses on equipping you with knowledge and skills required to the standard of performance required in the workplace. This is known as competency-based training and assessment. Each of the components of your course is a “unit of competency”. You may either be studying one or a few units of competency or a set of units that make up a total qualification. Each unit of competency is linked to specific skills and knowledge required in the workplace.

Our courses may be delivered in clusters. This means groups of similar units have been packaged together to avoid repetition. You will receive training and assessment for all units in a cluster at the same time.

Our course outlines include the details of how we deliver the training to you as well as the methods that will be used to assess whether you have reached the required standard of competence. Generally, our courses may involve a mixture of classes (which include simulation of workplace environments) and independent

activity done outside of class, such as assessment projects, research/study, skills development and homework.

Assessment methods vary from course to course but usually include written questions, projects, written assignments, and practical observations.

Meeting course progress requirements

- Students must have demonstrated satisfactory course progress requirements by the end of each study period as shown on their course delivery schedule. In order to do so they must have successfully completed (achieved satisfactory outcome on) all assessment tasks they were required to submit by the end of that particular study period or as otherwise agreed with the Ruby Institute Training Manager.

At risk of not meeting course progress requirements

- *Students will be deemed at risk of not meeting course progression requirements if they:*
 - do not participate in a summative assessment task.
 - do not submit an assessment task within 2 weeks of the due date, **or as otherwise agreed with the Ruby Institute Training Manager.**
 - have received an assessment outcome of Not Yet Competent for one or more assessment tasks.

Class Attendance VET Students

Students who enrol in any of Ruby Institute's VET programs must attend the scheduled 20-hour course contact per study week. It is important that you attend all scheduled classes during your study term. Absence from the scheduled classes must be notified to Ruby Institute's Student Support Team or Trainer and Assessor as soon as possible with appropriate evidence (E.g. Medical Certificate for illness etc.).

ELICOS Students

The teaching and assessment offered by Ruby Institute focuses on developing your English language skills for further study or employment.

Our course outlines include the details of how we deliver the teaching to you as well as the assessment methods that will be used to assess whether you have reached the required standard of competence.

Assessment methods vary from course to course but usually include exams and presentations.

Meeting course progress requirements

ELICOS students must attend 20 hours of classroom teaching per week and must maintain a minimum average attendance rate of 80% and will be deemed to be at risk if the attendance rate falls below 90%, in which case the student will be provided with counselling to determine how the required attendance will be maintained.

They must have achieved a passing grade of 60% on summative assessment tasks and attended at least 80% of total course classes.

Details of summative assessments and which weeks they occur in are outlined in the Course Curriculum and communicated to students at the commencement of each new study period/level.

For more information, please refer to the Course Progress Policy section.

ASSESSMENT ARRANGEMENTS

At the beginning of each unit or cluster, your assessor will go through the arrangements for assessment with you and you will be given all the details about the assessment requirements.

At this time, you will:

- Be provided with detailed assessment instructions for each task/requirement which includes the criteria that you'll be assessed against.
- Be informed of relevant due dates or timing of assessments to be conducted

Your assessor will go through all of the arrangements with you and you can ask them any questions you have.

Submitting your assessments

You must submit written assessment tasks with a completed and signed Assessment Task Cover Sheet. The cover sheet asks you to make a declaration that the work is your own. Written tasks will not be accepted without a signed cover sheet.

Assessments can be submitted directly to the trainer/assessor or sent by registered mail to:

Level 7, 250 Collins Street, Melbourne VIC 3000

You must keep a copy of all tasks that you submit as we are not able to return copies because we must keep them as evidence in your file. Additionally, we will not be held responsible for any items that go missing in the post. If this occurs, you will be asked to re-submit the work.

Written work will be marked within 30 days of receipt. Your assessor will provide you with written feedback and confirm the outcome of the task on the Task Cover Sheet.

Assessment outcomes – VET students

Each assessment task will be given an outcome of either Satisfactory (S) or Not Satisfactory (NS). You must complete all tasks for a unit satisfactorily to achieve an overall outcome of Competent (C) for a unit. If one or more of your tasks are assessed as Not Satisfactory, you will be given an overall outcome for the unit of Not Yet Competent (NYC). You can have 2 further attempts to complete the task and achieve a Satisfactory outcome. You will be given a timeframe for your resubmission and advised what you must include in your re-submission.

If, after the third attempt, you are still assessed as Not Satisfactory for a task, you will need to complete additional training and assessment to support you in achieving a Competent outcome. This may incur an additional fee for self-funded students as identified in the fees and charges information.

Assessment outcomes – ELICOS students

As an ELICOS student you will be required to complete both formative (ongoing) and summative assessments for each level of language competency. The ongoing assessment will help your teacher to be able to assess your progress and provide you with feedback about any areas of improvement. The final assessments will be used to assess your competency to progress to the next level of ELICOS or preparedness to participate in other training or education.

Reasonable adjustment in assessment

Some students may need modifications to assessments due to disability, illness or special considerations – this is called reasonable adjustment.

Reasonable adjustment can involve:

- Making training/teaching and assessment resources and methods more accessible e.g. providing learner workbooks in an audio format or on different coloured paper.
- Adapting physical facilities, environment and/or equipment e.g. setting up hearing loops.
- Making changes to the assessment arrangements e.g. more time allowed for assessments.
- Making changes to the way evidence for assessment is gathered e.g. written questions asked orally

Please speak to your assessor/teacher if you think that you may need an adjustment made. Note these adjustments are made at the discretion of your assessor based on your identified needs.

Appealing assessment decisions

If you do not agree with any assessment decision, you can lodge an assessment appeal. Please refer to the Complaints and Appeals section in this handbook for information about how to lodge an appeal.

- Ruby Institute monitors student progress to ensure that students to complete their studies within the expected duration specified on their Confirmation of Enrolment.

2. Study Periods

- Students who do not meet course progress requirements are at risk of having their visas cancelled.

For VET students:

- Study periods may also be known as 'terms' and are described Training and Assessment Strategies and course outlines. They are designed to ensure the academic integrity of the course is upheld.
- Students are assessed for satisfactory course progress at endpoint of each study period. A student must be identified as at risk prior to being reported as having not met satisfactory course progress requirements.

For ELICOS Students

- Study periods may also be known as 'levels' as described in Curriculum documents, typically 10-12 weeks.
- Curriculums describe the weeks in which summative assessment occurs and these weeks also define the end of each subsequent monitoring period, typically 3-4 weeks.

3. Determining if a student has meet course progress requirements

- Students must have demonstrated satisfactory course progress requirements by the end each study period, which is defined as follows:
 - **For VET students** - They must have successfully completed or achieved competency in 50% or more of the units enrolled in the ending study period.
 - Assessment task due dates are outlined and communicated to students at the commencement of each new study period/term.
 - **For ELICOS students** - They must have achieved a passing grade of 60% on summative assessment tasks and attended at least 80% of total course classes.
 - Details of summative assessments and which weeks they occur in are outlined in the Course Curriculum and communicated to students at the commencement of each new study period/level.

4. Determining at risk students

For VET students

- Students will be deemed at risk of not meeting course progression requirements if they:

 - have received an assessment outcome of Not Yet Competent in 50% or more of units enrolled in the study period.

- Their total course attendance is at or below either 90% or 85% and at risk of dropping below minimum of 80%

5. Progress Monitoring

- All students progress will be monitored using the *Course Progress and Attendance Monitoring Tool*.
- At the end of each monitoring period:
 - The monitoring report is updated by the Training Manager or Student Services Manager/Coordinator including a status of progressing, at risk or not progressing for all overseas students on each reporting date. This is based on current evidence located in student files and other academic records.
 - The Training Manager or Student Services Manager/Coordinator will consult with academic staff if there is any uncertainty or more evidence needed to confirm or deny a student's course progress status.
- The monitoring report will also record commencement and review dates for all Intervention Strategies.

6. Intervention Strategy

- Ruby Institute ensures that it identifies, notifies and assist students where there is evidence that the student is at risk of not meeting course progress requirements.
- For students at risk of not meeting course progress requirements, an individual intervention plan will be developed that documents the support that will be provided. This may include:

- Extensions to the course duration specified on the CoE are only allowed where:
 - A student is complying with an intervention strategy implemented for students identified at risk of not making satisfactory course progress, or
 - An approved deferral or suspension of studies has been granted in accordance with Ruby Institute's *Deferral, Suspension and Cancellation Policy and Procedures*.
 - Compassionate or compelling circumstances apply (suitable evidence must be provided), which may include but is not limited to:
 - serious illness or injury, where a medical certificate states that the student was unable to attend classes;
 - bereavement of close family members such as parents or grandparents;
 - major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the student's studies;
 - a traumatic experience which has impacted on the student and which could include involvement in or witnessing of a serious accident; and witnessing or being the victim of a serious crime. These cases should be supported by police or psychologists' reports); or
 - where Ruby Institute is unable to offer a pre-requisite unit.
 - where the student is unable to begin studying on the course commencement date due to delay in receiving a student visa.
- When the student can only account for the variation/s by extending his or her expected duration of study, this will be reported to the Department of Education and Training (DHA) via PRISMS.
- All variations in the student's study load, including the reasons for the variation will be recorded on the student's file.
- Where the duration of the student's enrolment is extended, Ruby Institute will advise the student to contact the Department of Human Affairs (DHA) to seek advice on any potential impacts on their visa, including the need to obtain a new visa.

8. Online or distance learning enrolment

VET students

- Ruby Institute will not deliver a course exclusively by online or distance to an international student.

ELICOS Students

- Ruby Institute will only offer online or distance learning in addition to the required 20 hours contact time per week and as approved by ASQA.

9. Reporting students

- Where a student has demonstrated unsatisfactory course progress despite interventions implemented, Ruby Institute will be required to report the student to DHA via PRISMS and the student will receive a written notice informing them of the intention to report for non-satisfactory course progress and the reasons for the intention to report. Student will have received first and second warning letters before the notice of intention to report is issued.

- Students have the rights to appeal against decision to report as per Ruby Institute Complaints and Appeals Policy & Procedures. If the student chooses to access this process, the student will not be reported until this process is complete.
- Ruby Institute will only report unsatisfactory course progress in PRISMS if:
 - the internal and external complaints processes have been completed and the decision or recommendation supports the registered provider; or
 - the overseas student has chosen not to access the internal complaints and appeals process within the 20 working day period; or
 - the student has chosen not to access the external complaints and appeals process: or
 - the overseas student withdraws from the internal or external appeals processes by notifying the registered provider in writing.

COURSE TRANSFER POLICY

All decisions made by Ruby Institute with regard to student transfer requests will be made in accordance with this policy and procedure, will be fair and take into account the student's individual circumstances and any other relevant factors.

1. Transferring from another registered provider

Ruby Institute will not knowingly enrol a student wishing to transfer from another registered provider's course prior to the overseas student completing six months of his or her principal course unless one or more of the following conditions apply:

- the releasing registered provider has had a sanction imposed on its registration by the ESOS agency that prevents the student from continuing his or her principal course at that registered provider;
- the releasing registered provider has agreed to the overseas student's release and recorded the date of effect and reason for release in PRISMS;
- any government sponsor of the student considers the change to be in the student's best interest and has provided written support for that change.

2. Transferring to another registered provider

For Ruby Institute students seeking to transfer to another registered provider's course of study prior to completing six months of their principle course, the transfer request will be assessed and granted in any of the following circumstances:

- the student will be reported because they are unable to achieve satisfactory course progress at the level they are studying, even after engaging with Ruby Institute's intervention strategy to assist the overseas student in accordance with Standard 8 (Overseas student visa requirements).
- there is evidence of compassionate or compelling circumstances.
- Ruby Institute fails to deliver the course as outlined in the student agreement.

- there is evidence that the student's reasonable expectations about their current course are not being met.
- there is evidence that the student was misled by Ruby Institute or an education or migration agent regarding the organisation, or its course, and the course is therefore unsuitable to their needs and/or study objectives.
- an appeal (internal or external) on another matter results in a decision or recommendation to release the student.

A transfer to another course will not be granted where:

- The transfer may jeopardise the student's progression through a package of courses.
- The student has recently started studying the course and the full range of support services are yet to be provided or offered to the student. In this case, the student will be requested to wait a further 4 weeks before applying for a transfer to another registered provider during which time the full range of support services will be provided to the student.
- The student is trying to avoid being reported to DHA for failure to meet the provider's attendance or academic progress requirements.
- There are no legitimate compassionate or compelling circumstances.

In order for a request for transfer to be considered and a letter of release provided, students must provide a valid offer of enrolment from another registered provider.

The outcome of the student's application for course transfer will be provided in writing within 10 working days of receipt of application.

Where a student's application is refused, the reasons for this will be communicated plus the right to access the complaints and appeals process as outlined below.

There is no cost in releasing students. However, where a student transfers to another registered provider, any refund of course fees, where applicable, will be paid will be in accordance with Ruby Institute's Fees and Refunds Policy and Procedures.

- Where it is considered that the course that the student wishes to transfer to;
 - o better meets the study capabilities of the student; and/or
 - o better meets the long-term goals of the student, whether these relate to future work, education or personal aspirations; and/or
- Or, where the student claims or can provide evidence that his or her reasonable expectations about the current course are not being met.

A transfer to another course within Ruby Institute will not be granted where:

- The transfer may jeopardise the student's progression through a package of courses.
- The student has recently started studying the course and the full range of support services are yet to be provided or offered to the student.

- The student is trying to avoid being reported to DHA for failure to meet the provider's attendance or academic progress requirements.

In order for a request for transfer to be considered, students must complete an Application for Internal Course Transfer Form.

The outcome of the student's application for course transfer will be provided in writing within 10 working days of receipt of application.

Cost involved in transferring to another course plus any refund of course fees paid for the student's current course will be in accordance with Ruby Institute's Fees and Refunds Policy and Procedure.

4. Visa advice

All students who are either considering a course transfer, or have had their transfer request approved, will be advised that they must contact DHA to seek advice on whether a new visa is required. To find out more about visa requirements, students will be advised to contact DHA on 131881 or visit the following website: <https://www.homeaffairs.gov.au/trav/stud>

5. Complaints and Appeals

Where the decision is made to refuse a course transfer or Ruby Institute does not respond to the request in the timeframe set out in this Policy, the student may appeal against the decision by accessing Ruby Institute's Complaints and Appeals process within 20 days. If the appeal finds in favour of a student wishing to transfer, a letter of release will be granted.

The refusal status will not be finalised in PRISM until the complaints and appeals process is finalised within the 20 working day period or the student withdraws from the course.

6. Records

All records relating to course transfers will be kept for two years after the student ceases to be an enrolled student. This includes requests for release, the assessment of the request and the decision.

DEFERRAL, SUSPENSION AND CANCELLATION POLICY

1. Deferral and suspension of studies

Requests from students for deferral and suspension of studies will only be granted in compassionate or compelling circumstances which are generally those beyond the control of the student and which have an impact upon the student's course progress or wellbeing. These could include, but are not limited to:

- serious illness or injury, where a medical certificate states that the student was unable to attend classes
- bereavement of close family members such as parents or grandparents (where possible a death certificate should be provided)
- major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the student's studies
- a traumatic experience that has impacted on the student which could include involvement in or witnessing of a serious accident or witnessing or being the victim of a serious crime. Such cases supported by police or psychologists' reports
- where Ruby Institute is unable to offer a pre-requisite unit

- inability to begin studying on the course commencement date due to delay in receiving a student VISA

The circumstances listed are example of what may be considered compassionate or compelling circumstances and each case will be assessed on its individual merits.

When determining whether compassionate or compelling circumstances exist, Ruby Institute considers documentary evidence provided to support the claim, and stores copies of these documents in the student's file.

A retrospective deferment or suspension may be justified if the student was unable to contact Ruby Institute because of a circumstance such as being involved in a car accident.

Where a student-initiated deferral or suspension of enrolment is granted, Ruby Institute will suspend an enrolment for an agreed period of time - to a maximum of 12 months. If the deferral is required for longer than 12 months, the student's application will be re-assessed. If the suspension period has expired and the student does not return, the student's enrolment will be cancelled.

2. Provider initiated suspension or cancellation

Ruby Institute may suspend or cancel a student's enrolment including, but not limited to, on the basis of:

- misbehaviour by the student (including plagiarism, collusion and cheating)
- the student's failure to pay an amount he or she was required to pay the registered provider to undertake or continue the course as stated in the student written agreement
- a breach of course progress or attendance requirements by the overseas student, which will occur in accordance with Standard 8 (Overseas student VISA requirements) and as specified in Ruby Institute's Course Progress Policy & Procedures.

Standards of behaviour required are outlined in the International Student Handbook.

Where Ruby Institute suspends or cancels a student's enrolment, before imposing a suspension or cancellation Ruby Institute will inform the student in writing of that intention and the reasons for doing so and advise the overseas student of their right to appeal through the provider's internal complaints and appeals process, in accordance with Standard 10 (Complaints and appeals), within 20 working days.

Under no circumstances will the suspension or cancellation of the overseas student's enrolment under Standard 9.3 cannot take effect until the internal appeals process is completed, unless the overseas student's health or wellbeing, or the wellbeing of others, is likely to be at risk.

3. Student initiated cancellation of studies

Students may initiate cancellation of their studies at any time during their course.

Students who wish to withdraw within six months of their course to transfer to another provider will be processed as per Ruby Institute Course Transfer Policy and Procedure.

4. Visa status

When there is any deferral, suspension or cancellation action taken under this standard, Ruby Institute will inform the student of the need to seek advice from DHA on the potential impact on their student VISA, as well as the report the change to the overseas student's enrolment under section 19 of the ESOS Act i.e. notification via PRISMS.

Students are referred to the DHA web site at <https://www.homeaffairs.gov.au> or Phone: 131 881 for information and their local DHA office for advice on how the potential change to enrolment status may impact upon his or her VISA.

5. Complaints and appeals

Where a student accesses the Complaints and Appeals process, Ruby Institute will not notify DET via PRISMS until the internal appeals process is complete unless the student's health or wellbeing, or the wellbeing of others, is likely to be at risk. Where the student chooses to access an external appeals process, DET will still be notified via PRISMS.

6. Records

All records relating to deferrals, suspensions and cancellations will be kept on the student's file. This will include all decisions made.

CHANGE IN VISA STATUS

Deferment, suspension or cancellation of a student's visa may affect the student's visa. When a student's enrolment is deferred, suspended or cancelled, Ruby Institute will notify the Department of Education and Training via the Provider Registration and International Student Management System (PRISMS) of the change in enrolment status.

Students are to refer to the DHA web site at <https://www.homeaffairs.gov.au/trav/stud> or telephone 31 881 for information and their local DHA office for advice on how the potential change to enrolment status may impact upon his or her visa.

Regardless of whether the suspension of enrolment is the result of a student request for suspension or a suspension imposed by Ruby Institute, the period of suspension of enrolment (as entered in PRISMS) will not be included in attendance monitoring calculations.

Where a suspension of enrolment is granted, Ruby Institute will suspend an enrolment for an agreed period of time - to a maximum of 12 months. If the suspension is required for longer than 12 months the student shall have to re-apply once the initial suspension period has expired.

If a student's enrolment is suspended for a period of 28 days or longer, the student must return home (unless special circumstances exist). Students will be referred to DHA via the DHA helpline on 131 881 regarding whether they may remain in Australia during a period of suspension of enrolment.

Ruby Institute will always use its professional judgement to assess each student's case on its individual merits when determining whether compassionate or compelling circumstances exist.

In cases, where a student's enrolment is cancelled, the student must leave Australia, obtain enrolment in an alternative course or apply for a different visa within 28 days of cessation. If the student leaves Australia, the student's visa will be cancelled. A student who has left Australia and wishes to return to his or her studies must apply for a new student visa.

National VET Regulator Act 2011

As a student in Australia's vocational education and training (VET) sector, you should expect high-quality training in your area of interest, leading to a qualification that improves your prospects of gaining the job you want or provides a pathway to further study.

As a Registered Training Organisation registered with the Australian Skills Quality Authority, we are required to comply with the National VET Regulator Act 2011. This involves meeting a series of Standards that ensure that the training and assessment and support services are provided to you in accordance with nationally mandated standards.

Student Identifiers Act 2014

Under this Act, we are required to ensure that all students have a USI. We are unable to issue a qualification of a statement of attainment for any student if we don't have a USI on file.

If you're studying nationally recognised training in Australia from 1 January 2015, you will be required to have a Unique Student Identifier (USI). Your USI links to an online account that contains all your training records and results (transcript) that you have completed from 1 January 2015 onwards.

For students and training organisations, the main benefits of the USI are:

- Students will be able to get a complete record of their Australian-wide VET achievements from a single, secure and accurate online source.

- There will be immediate access to VET records. This means they can be quickly given to employers and other training organisations as proof of VET achievements.
- It will be easier for training organisations to assess students' pre-requisites, credit transfers and Recognition of Prior Learning (RPL).

For more information about the USI please refer to <http://www.usi.gov.au/About/Pages/default.aspx>

FEES, CHARGES AND REFUNDS

1. Protection of fees paid in advance

- Ruby Institute protects the fees that are paid in advance by both domestic and international students.
- All course fees will be held in a separate Tuition Fee bank account. The course fees are held separately from the day-to-day operating expense accounts, so that if a refund is payable before the student commences, the refund can be made in full and in a timely way without impact on the financial operations of the business or recourse to the tuition protection system (TPS).
- In accordance with Section 28/29 of the ESOS Act 2000, the Ruby Institute maintains sufficient funds in the Tuition Account to ensure that at all times there is a sufficient balance to repay all tuition fees to every overseas student or intending student from who tuition fees have been paid to Institute, and who have not yet commenced the course that the Institute is contracted to provide to the student.

 - Ruby Institute pays into the Tuition Protection Service (TPS). The TPS is an initiative of the Australian Government. - Some or all members of the management team of Ruby Institute will be involved in resolving complaints and appeals as outlined in the procedures.
- Where a complaint or appeal involves another individual or organisation, they will be given the opportunity to respond to any allegations made.
- Where a third-party delivering Services on behalf of the RTO is involved, they will also be included in the process of resolving the complaint or appeal.

- Each party involved in the complaint or appeal may have a support person of their choice present at meetings scheduled to resolve the issue.
- In the case of an assessment appeal, an assessor who is independent from the original decision will assess the original task again. The outcome of this assessment will be the result granted for the assessment task. The complainant or appellant will be advised in writing of the outcome of the process and the reasons for the findings made.
- The enrolment status of student will be handled as follows:
 - For domestic students that choose to access this policy and procedure, Ruby Institute will maintain the student's enrolment while the complaints and appeals process is ongoing.
 - For international students, Ruby Institute will maintain a student's enrolment throughout the internal appeals processes without notifying DET via PRISMS of a change in enrolment status. In the case of an external appeals process it will depend on the type of appeal as to whether Ruby Institute maintains the student's enrolment as follows:
 - If the appeal is against Ruby Institute's decision to report the student for unsatisfactory course progress or attendance, the student's enrolment will be maintained until the external process is completed and has supported or not supported Ruby Institute's decision to report.
 - If the appeal is against Ruby Institute's decision to defer, suspend or cancel a student's enrolment due to misbehaviour, Ruby Institute will notify DET via PRISMS of a change to the student's enrolment after the outcome of the internal appeals process

6. Independent Parties

- Ruby Institute acknowledges the need for an appropriate independent party to be appointed to review a matter where this is requested by the complainant or appellant and the internal processes have failed to resolve the matter. Where applicable, costs associated with independent parties to review a matter must be covered by the complainant/appellant unless the decision to include an independent party was made by Ruby Institute.
- Complainants and appellants can find an appropriate independent party by calling the Resolution Institute on 02 9251 3366 or by searching the following directory, according to their locality and area of concern: <https://www.resolution.institute/disputeresolverdirectory>
- International students may also use the Overseas Students Ombudsman. This service is free of charge. Where an international student is not satisfied with the outcome or conduct of the internal process, they are referred to the Overseas Students Ombudsman (OSO). See information under external complaint avenues.
- Ruby Institute will provide complete cooperation with the external mediator investigating the complaint/appeal and will be bound by the recommendations arising out of this process.
- The CEO will ensure that any recommendations made are implemented within twenty (20) days of being notified of the recommendations. The complainant or appellant will also be formally notified in writing of the outcome of the mediation, and any recommendations being actioned by Ruby Institute.
